

MABS COFFEE MORNING IN ALBIR – January 25th 11am

As we promised you at our meeting in Benidorm's YAGO at the end of November, a further meeting has been arranged for the last Wednesday in January.

But it won't be in a bar or restaurant but in our very own premises!

Yes, with help for which we are very grateful, MABS has been able to secure premises in the new Albir Social Center, behind Mercadona in Albir, and the plan is that it will be open for information and assistance every Wednesday between 11am and 1pm. And for a Coffee Morning the last Wednesday of every month.

Our next Coffee Morning will, therefore, herald the opening of our very own MABS Albir Cancer Care Center!

So please tell everyone about this event; do please come along yourself on January 25th, at 11am, or send a member of your editorial team. Feel free to bring with you anyone who is interested in being a Volunteer or anyone who has been touched by the effects of cancer; all are very welcome SO PLEASE INVITE YOUR FRIENDS.
