

# JAVEA U3A ASSOCIATION SONG

---

(Sung to the tune 'Marching Through Georgia')

Words by Sally Wells and Paul Wessendorff

## Chorus

Hooray, hooray, We're in the U3A,  
There's lots to do, to fill a sunny day.  
It broadens minds and keeps us fit,  
There's something for us all,  
So let's cheer the U3A and have us a ball.

## Verse 1

There's lots to do for sporty types who still have working parts,  
Like walking and aerobics and petanque to boost your hearts.  
Then if you need gastronomy, here's what it's all about,  
Like Foodies, and Curry Club, wine tasting, dining out.

## Verse 2

And if your memory's not good, you can help it along,  
With Scrabble, Bridge, and Rummykubs, Backgammon and Mahjong.  
And if you're arty farty, please don't think you've been ignored,  
With Art Class and Poetry, you will not get bored.

## Verse 3

If you want to tease your brain, then here's what you can do,  
There's History, Computer Club, and Spanish lessons too.  
Discussions, Books, and Tuesday Talks will boost your old grey cells,  
So join them all today and be good to yourselves.

## Verse 4

The Travel Team has done us proud, we've seen some stunning sights,  
Granada and Toledo, Sevilla and more delights.  
And if you don't know where to go, there's Travellers Tales for you,  
You never know you might end up in Timbuktu.

*Verse 5*

If you want some gardening friends, there's lots that you can do,  
Trips with Avinenca could be just the thing for you.  
And if your shady past you wish to keep behind your door,  
Then keep away from Family History, for they will tell you more.

*Verse 6*

If taking pics is your delight, then you can make a start,  
With digital or SLR, you can photo ev'ry part.  
Or watching films on Saturday, you can also do,  
Or playing snooker once a week, maybe just for you.

*Verse 7*

We have a treasure hunting group, who drive 'round in a car,  
Cultural Arts see lots of shows, around in Javea.  
If music is your main desire, we have a right fine bloke,  
Who can take you back to 60's time, and even sing some folk.

*Verse 8*

If you find you're bored with life, with nothing you can do,  
Then come and join our U3A, there's lots there just for you.  
You'll get some real companionship, the joy just never ends,  
Your life will really change a lot, with staunch and loyal friends.
