FROM OUR PRESIDENT

Christmas is nigh upon us, and already thoughts are turning to Christmas shopping and the possibility of returning to join the family in UK! It seems no time at all since we were getting back into the swing of U3A matters following the summer break, and now we have several seasonal events planned to take us up to Christmas and the New Year.

We have already had several very enjoyable events over the autumn period. The Hog Roast in September followed by the very successful Barn Dance earlier this month, were both well attended and extremely enjoyable events. Our thanks must go to Peter and Pauline Speer and their excellent team of hard-working assistants who all did so much to make those events the success they undoubtedly were.

The new web site is now operating well, and I have had many complimentary comments on the new look of the site, and the ease with which one can navigate around the various pages and sections to obtain all the information on U3A activities and events. Additionally, the site displays a miscellany of other details and information concerning what is going on both within the U3A and Jávea itself. Please do take time to explore the site, and use it to gain information on local events and U3A activities.

The new E Mail facilities that are now available to us when using our new domain on the web mean that Committee members and Group Leaders can use our generic U3A addresses for future communications via E Mail. This will afford more protection to the security of the individual and once adopted and in place, should ease the use of such means for communication with our members. You may well be asked to amend your E Mail address book to record the new E Mail addresses now being taken into use.

Our Parador meeting at the end of November will once again be a rather more informal affair, with some musical and theatrical performances from various Committee members and others, for your entertainment. We have also arranged for the Costa Blanca Male Voice Choir to give a short concert of anthems from their extensive repertoire, together with an opportunity for us to join with them in singing some seasonal Christmas carols. Indeed, it will be an extravaganza not to be missed! I hope that we will see as many as can make it to the Parador this coming Wednesday.

We will also be taking a collection of food items at the Parador November meeting, in support of Caritas, our chosen charity for this year. Please do bring and give generously for this very worthy cause, which will be of tremendous help to those supported by Caritas in the lead up to Christmas. However, when donating foodstuffs, could I ask that you do check that the food being offered is in good condition and in date. We have had a number of occasions when food so generously donated cannot be distributed to those requiring such support, due to the items being past their use-by date. Your help in this as always, will be much appreciated.

Already the Committee are turning their attention to 2012 and to what events and activities we will be running next year. Please keep a close eye on the website and in the various newsletters over the coming months, to keep abreast of what is being planned and what is going on. We will also be running some charity fund-raising events for our supported charity next year which is Cancer Care, Jávea. If anyone has any ideas or suggestions as to what these events could or should be, we would be pleased to receive whatever thoughts and suggestions you may have.

Finally, may I take this opportunity to thank all committee members and group leaders for their help and support over the past year, and for all the hard work they have so willingly given to organise and run our events and activities. It is through all their work and effort that we achieve such enjoyable group activities, which in turn makes Jávea U3A the friendly and successful society it is today. May I wish you all, a very Merry Christmas, with all good wishes for the New Year and beyond. Paul Wessendorff.

Caritas

CHRISTMAS FOOD COLLECTION

Please remember to bring food items in aid of our Charity, Caritas, to this month's meeting in the Parador. Will members please ensure that the food items are not past their sell by date.

A raffle will also be held with proceeds also going to Caritas. Tickets are €5 per strip so please give generously.

MAY BALL

Reminder to put the date of the May Ball - 18th May 2012 - in your diaries. This will be held at the same venue as last year - El Canor. Further details on the web site and the newsletter in January.

PRINTED COPIES OF NEWSLETTER

A reminder to members that if you do not have the facilities to retrieve a copy of the newsletter from the web site, you can get a printed copy at the monthly Parador meetings. If you cannot get to the Parador meetings maybe you have a friend who could collect one for you. Printed copies are only for those members who do not have computer or email facilities.

PUBLICITY

The Javea U3A has had some good representation in the local press over the last few months and, hopefully, we will be getting some more following our very successful Barn Dance organised by Peter Speer and his committee.

However, telling people about what we do isn't just about getting articles in the papers, its even more important to communicate within our community to show all of the members what is happening in the various groups. To this end, and with thanks to the contributions from Clive white and Sam Wells, the recent changes to the way the web site is set out, with more graphics and simpler access to the various sections, has made it much easier to appreciate what is happening and of the future events that are planned. Having achieved this, we need to keep the information up to date.

If any of you group leaders are arranging any activities that you would like published, or photographed, let us know. You can contact the Publicity Officer, Tom Miller at javeau3publicity@yahoo.co.uk

As the year closes I thought it would be interesting to look back at the trips made in 2011 and those planned so far for 2012.

The year began in January with a shopping trip to Ikea and Primark organised by Diane which is always popular. In March Pat took a group to the lively Aguilas Carnival. In September Diane led a group of 51 members who went to Madrid by coach. In October Angela lead a weeklong trip in Dubrovnik. In November Joni took two coaches to the Traditional Fair in Cocentaina. We conclude the year with a Christmas lunch organised by Mike at the restaurant La Masena and I have heard on the grape vine that this is likely to be an annual event!

The next presentation will be on Monday, December 5 at 1.15 in the Jávea Players' Studio behind Bookworld España when David Thoms will give a talk entitled "Gotcha! Law and Order in Victorian England". David's synopsis poses a number of questions which he will set out to answer: *"From pickpockets to serial killers, crime was widely regarded as a social evil which struck at the very heart of Victorian society. Was this fact or fiction? Who made up the 'criminal classes' and what steps were taken to discipline them?"*

Your Travel Team has undergone some changes recently. A change of team leader and additional Travel Advisors make up the new team (details on the web)

Having just taken over, I am still getting to grips with the task in hand, I must express my thanks to Mike Frost and Diane Ord for their support and the dedication and hard work they have put in running numerous trips in the past. Diane continues with the team and Mike is taking a well-earned rest.

Our newer Travel Advisors, Gwen, Joni, Jan and Barbara are taking up the reins – and going full steam ahead to continue the service the travel team offer our members. Thanks to you all, perhaps our members don't realise the work involved in planning, organising and running a trip – it has certainly opened my eyes since I joined the team.

We are looking for more travel advisors to help the team – the level of commitment can be as small or as large as you would want it to be. If you are interested and would like to understand what you could do to help please contact us.

CHARITIES

CARITAS

Caritas is the main charity that Javea U3A will be supporting this year. In 2010 they were most grateful for the kind donations and fund-raising events that were held on their behalf, resulting in much needed funding being made available to support them in their efforts to provide help and assistance to those in great need in the Javea area. Our efforts really did make a difference and Caritas are very grateful for all the donations members are making. We hope to be undertaking more fund raising events later this year and we will be asking for ideas and support from members to be able to do this.

You can leave food items and other items, such as clothes, furniture etc. for this charity at the Fisherman's Church in the Port, Caritas Nuestra Sra. De Loreto, calle Pio X11 9, Aduanas del Mar, telephone 965792220, mobile 619689311. They are open on a Monday from 1800-1930 hours. They suggest you bring tins of tuna, biscuits, cola cao and quesitos. You can also donate food and clothes in the Old Town – Caritas de la Parroque de San Bartolome de Javea. They are open from 1600-1700 hours on a Monday. The address is Carrer Llotgeta – in the little road next to Casa del Cultura.

AT THE NOVEMBER MONTHLY MEETING WE WILL BE HAVING A CHRISTMAS COLLECTION OF FOOD ITEMS TO DONATE TO CARITAS. ANY DRIED OR TINNED GOODS OR ITEMS SUGGESTED ABOVE WILL BE GRATEFULLY RECEIVED. LET'S SEE IF WE CAN EQUAL OR BEAT THE WONDERFUL DONATIONS THAT WERE GIVEN LAST YEAR. PLEASE ENSURE THAT THE GOODS ARE NOT PAST THEIR SELL BY DATE. THERE WILL ALSO BE A RAFFLE IN AID OF THE CHARITY

Please support this very worthwhile charity for people in need. There are now so many people out of work and the assistance offered by the Spanish Government is limited. Every donation will be gratefully received. To read a copy of the latest Caritas newsletter go on to the Home Page web site – www.u3ajavea.org - and click on the link near the top of the page.
