From our President

Well, hello to one and all, and welcome back following the long and hot summer break. I trust that everyone had a good time over the summer months, and are now ready to join in with the U3A activities which we are planning over the next few months during the autumn period.

The committee have already started planning our programme of social events over the autumn and into the New Year, and fuller details of these will be announced over the next few weeks. In outline, we are planning to hold a Barn Dance at Los Arcos near Pedreguer on 11th November, and the annual Christmas Dinner and Dance is to be held on 9th December at La Brioche Restaurant in Toscamar. Our next summer ball is already scheduled for the 18th May 2012, and following the very successful ball held in May 2011, this will again be held at El Canor Restaurant in Teulada. Keep a close eye on our website to get confirmation of details and the arrangements being made.

Again on the subject of social events, I must give a BIG vote of thanks particularly to Peter and Pauline Speer, Richard and Shirley King, and their group of hard-working helpers who planned, organised, and ran such a successful hog roast and dance evening held at Villa Resy last Saturday evening. An extremely enjoyable and successful event which was fully appreciated by those that were able to attend, due entirely to the hard work and organisation of those involved in running it. The monies raised from this event will be given to the Charity which we are supporting this year, Caritas, and are expected to be in excess of 900 Euros. A detailed figure will be given once the accounts for the event have been finalised.

Particular thanks must also go to Ross and Dianne Ord who so kindly made their villa available for us to use for this occasion, creating a lovely venue sitting under the palm trees on a perfect evening in such lovely company – makes one fully realise why we are in Spain, and in the U3A.

Membership renewals and acceptance of new applications for membership start again in earnest at the Parador meeting to be held on Wednesday 28th

September. New members joining, or old members renewing, during the autumn meetings of the Association will be joining for the remainder of 2011, AND for the year 2012. The Membership Secretary, Wilma Stevenson, has full details.

Our Communications Officer, Carol Pilgram, has already established an effective liaison with the new incumbents in the Ayuntamiento in Javea, after the changes made to council appointments following the May elections held earlier this year. We are already in contact with several members of the Ayuntamiento who are being very supportive in keeping us informed of developments in Javea town and its environs, and in the offer to provide facilities for our group and other activities as and when needed.

Finally, I have the sad news to report that one of our recently joined members, Cliff Leslie, sadly passed away during the summer on 28th July after a short illness during which he was diagnosed with cancer. Cliff had kindly offered his services to us to take on the role of Deputy Treasurer, which role we had hoped he would be able to start this autumn. Our deepest condolences go to his family and friends on their tragic loss.

I look forward to getting on with our programme of events and activities over the coming months, and to hopefully meeting as many as possible of our members as we carry on over the weeks ahead.

Paul Wessendorff

CHANGE OF SPEAKER FOR GENERAL ASSEMBLY MEETING 28 SEPTEMBER 2011

Sadly, due to personal reasons, Kathryn Marsden will not be able to attend the General Assembly meeting on 28 September 2011 as our speaker. You will remember that Kathryn was going to give a talk about "Diet and Digestion". It is hoped that Kathryn can give her talk next year.

We have been fortunate to find, at such short notice, another person willing to give a talk on 28th September 2011 and he is George Stevenson. George was an MEP from 1984-92 for South Staffordshire and MP from 1992-2005 for Stoke South. George's talk will give members an overview of the European Parliament and Westminster, in particular how they work, what they are supposed to do, what is missing and what improvements need to be made etc. The aim of the talk is not to promote any political party, but rather give members a better idea of the workings of these two institutions. It should prove to be a very interesting talk.

Advance Notice to Members - Speaker for 26 October 2011 General Assembly Meeting:

'Javea's New Town Plan - How it will be Prepared' is the subject of a talk on 26 October 2011 that will be made by Pere Sapena, Javea's councillor for Town Planning (Urbanismo). A translation in English of Pere Sapena's talk will be shown onscreen as he speaks and he will be assisted by English speakers Georgina Rodriguez and Elizabeth Collins. No matter the language, the New Town Plan, when it emerges, should guide the evolution of Javea for the next 10 to 15 years. Not to be missed!!

Peter Allin, Vice President

Dates For Your Diary:
11 November - Barn Dance
9 December - Christmas Dinner Dance
Friday 18 May 2012 - May Ball at El Canor

SUGGESTIONS FOR CHARITIES FOR 2012

The Committee will be considering at their October meeting which charity we should support during 2012. If you would like the Committee to consider a charity to receive our fund raising next year, please write the name of the charity and a little information about it on one of the sheets that are next to the Suggestion Box and pop it in. All suggestions will be considered.

GROUP NEWS

Welcome back to all Group Leaders and members after the summer break.

A new scrabble group is starting soon, as is a new badminton group. If you would like to join either of these groups please email me.

Anyone who has not joined a group should consider going on the Monday morning health walks. I have been taking part during the summer (despite the early 8.30 am start) and I would recommend them to you all. I have thoroughly enjoyed them. Thanks to Karen and Clive Wright for organising the walks so well.

FEATURED GROUP

Family History Group

For a growing number of people questions such as Who am I? Where did I come from? What made me the person I am today? hold an increasing fascination. The popularity of TV programmes such as "Who do you think you are?" serves to drive this interest but for most people whilst enjoying the format of such a program it is difficult to understand how we as mere mortals could manage such a complicated and costly research into our own family history. Well fear not, the 30 plus members of our family history group exist to prove that it can be done.

We meet on the third Tuesday of each month from 2.15pm until 3.45pm at the Javea Social centre in the old town (next to the new underground car park) where as a self help group with a wide range of individual experiences we support each other in determining answers to exactly the questions posed above. Our meetings provide an informed and friendly environment to allow members irrespective of their individual experience levels to develop their own family tree.

In addition we are pleased to invite speakers from outside the group to present their own individual experiences as was the case this month when Mike Rendell gave a splendid insight into life in Georgian London and the Cotswolds through the most detailed of records provided by one of his ancestors who lived between 1729 and 1801.

Other such presentations are scheduled in the coming months some involving outside speakers and some from within the membership, so in short if anyone would like begin to better understand their own heritage please come along and start the process with the **Javea U3A Family History Group**.

Contact me Ron Hughes (Group Leader) on 965 794995 or by E mail ron.familyhistory@gmail.com. Look forward to hearing from you.

Dining Out

After a two month break our dining out events continued on Tuesday 20th September when 51 members had a very successful evening at restaurant La Cocina in Javea Port. The food, wine and service was excellent and we will certainly want to return in the future.

On Tuesday 18th October we will be visiting restaurant Castello on the Arenal beach promenade.

Our November event has provisionally been booked for Thursday 15th November at restaurant Bon Am which is the new restaurant nearly opposite restaurant Masena on the Benitachell road.

Our last dining out event of the year will be at Restaurant Chez Angel at Javea Park on Thursday 1st December.

Discussion Group

The discussion group has been running now, since the autumn of 2009, meeting once a month, the first Friday in every month, at 4pm on the first floor, at the Social Centre, (behind the Insalud)

When we were trying to get a group started, I envisaged it as a structured 'Debating Society' on the lines of one to which I had belonged in the U.K. However this didn't seem to appeal, perhaps the imagined formality frightened people off. When we called it 'The Discussion Group' more people became interested, and we got it off the ground. It is very informal. No one has to speak if they don't want to, they can just sit and listen, but you would be surprised to find how often you find that you do have an opinion, which you want to voice.

Previous very good subjects have been as follows:- Platonic friendship is impossible between two people of opposite sex!

Are women programmed to be subservient to men?

Pacifism is the only answer to the World's problems.

What is essential for the pursuit, and achievement of happiness?

Do we have the right to impose our system of government on underdeveloped countries?

Is marriage becoming outdated?

And finally one chosen for Friday Oct 7th is,

In view of the recent appalling behaviour, e.g. rioting, looting and violence, of mainly young people:- is bad parenting to blame?

The subject for each month is chosen the previous month. Anyone can suggest a subject, and if we all agree, that is the one we shall discuss.

We have 7 or 8 stalwarts who always turn up, but we would really like more members, it would make for a greater divergence of views and would make more fun for everyone.

If you would like more information on forthcoming subjects, do please ring me:-

Foodies Group

The Foodies' Group had their first meeting after the summer break, on Thursday 15th September. We began our new 'season' with a Picnic on the Beach. The sun shone down on us and everyone brought a small plate of finger food (at least these were my instructions!). In true foodies form, we had more of a banquet! Everybody surpassed themselves with their contributions and there was enough delicious food (and bubbles) to feed 3 times the lucky ones of us who were there.

The next meeting will be on **Thursday October 20th** at the new starting time of 11.30 a.m. The venue is El Canari in the Port (opposite Tourist Information) and I am hoping we will be having an expert on Spanish cheeses to take us through the many different varieties of cheeses. We will also be discussing the venue for our 'Christmas lunch', which will take place in November, as so many people are away at Christmas and/or tired of eating out in December. Being Foodies, I would like as many members as possible to join us for what we hope will be a gourmet meal!

Friends of Avinenca

The Friends of Avinenca group have arranged a 'Geological Walk' from the village of Chera. The visit will start with a tour of the geological museum and be followed by two short 2km walks, accompanied by a geologist who will explain the origins and configurations of the rock formations. This trip is open to all members of the U3a and it is hoped that it will give a better appreciation of the landscape to those who walk in the campo.

Date Thursday 10th November. Travel by coach, pick up at Rafelets. Cost €20 per person.

Let's Talk Javea

Some of us continued to meet during the summer break. Among other matters, in August we touched on the news that plans were afoot to prepare Javea's New Town Plan (PGOU). The upshot was that group leader Tim Ladd was asked to see if a talk on this subject would be agreeable to the U3A Committee and if at all possible for the Town Planning Department in Javea to do it. The answer from both was positive (see the notice on the front page of this newsletter)

LTJ is not just about talking.. LTJ can lead to action as well! Our next meeting will be on **Wednesday 12th October at 4.30pm** in the Parador lounge. Come along and help us lead from the front!

Solos on Sunday

Hello everyone.! Hoping you managed to keep cool during the Summer here in Javea and surrounding areas, or if you were in UK you took your fleece with you!

As some of you already are aware, I have been arranging the Solo on Sundays for seven years now and feel now is the time for someone else to take the Group over, with possibly new ideas etc.,

During this time I have had the privilege of meeting some very nice people and also extremely pleased to have seen many lasting friendships grow through the Group, which was the reason it was started in the first place!

If you are interested in taking the Group over, please call me on 96 646 3389 or email me marionapril@hotmail.com would love to hear from you....

Travellers Tales

Many thanks to Fabio Bezoari for his excellent dvd presentation entitled "**I remember Namibia ...**", which he gave at our end of the summer get-together on Tuesday 20th September. Our next meeting will take place on **Tuesday 25th October**, when Wendy & John Ranger will be giving a presentation on "**A Great Rail Journey tour of Scandinavia**". Venue: the Javea Players' Studio (located in the road behind Book World Espana, Javea old town). Please arrive at 11.30 a.m. for a 12 p.m. start. New members always welcome!

Many of you I know enjoyed the talk given by John Reynolds about two young men who set off from England to cycle their way through France and Spain to Gibraltar. If you would like to learn more about their adventure, I'm sure you will be interested to hear about the following new book, written by one of our TT members:

The Curious Cyclists

By John Reynolds

1895 two young artists set off from Nottingham, England to bicycle their way through France and Spain to Gibraltar. They take with them little more than their sketch pads and a Kodak camera. One hundred and ten years later a box of unmarked lanternslides, a scrapbook and a few speaking notes come to light in a family archive. Developed from an original talk to the Costa Blanca Anglo Spanish Association, and presented to various U3A Groups and other local societies, this book recreates their journey and explores the influence it had on their lives. Illustrated with 50 original photographs and drawings in colour and Black and White. To be published on October 22nd 2011 and available from penpress.co.uk and Amazon.co.uk this book will be on sale at the next Travellers Tales Meeting. Price €8. angelachantry@gmail.com

CHARITIES

CARITAS

Caritas is the main charity that Javea U3A will be supporting this year. In 2010 they were most grateful for the kind donations and fund-raising events that were held on their behalf, resulting in much needed funding being made available to support them in their efforts to provide help and assistance to those in great need in the Javea area. Our efforts really did make a difference and Caritas are very grateful for all the donations members are making. We hope to be undertaking more fund raising events later this year and we will be asking for ideas and support from members to be able to do this.

You can leave food items and other items, such as clothes, furniture etc. for this charity at the Fisherman's Church in the Port, Caritas Nuestra Sra. De Loreto, calle Pio X11 9, Aduanas del Mar, telephone 965792220, mobile 619689311. They are open on a Monday from 1800-1930 hours. They suggest you bring tins of tuna, biscuits, cola cao and quesitos. You can also donate food and clothes in the Old Town - Caritas de la Parroque de San Bartolome de Javea. They are open from 1600-1700 hours on a Monday. The address is Carrer Llotgeta - in the little road next to Casa del Cultura.

Please support this very worthwhile charity for people in need. There are now so many people out of work and the assistance offered by the Spanish Government is limited. Every donation will be gratefully received. To read a copy of the latest Caritas newsletter go on to the Home Page web site - www.u3ajavea.org - and click on the link near the top of the page.

MABS

On Thursday 13th October a fund raising event is being held on behalf of MABS. It consists of a meal at Mesena preceded by a guitar recital by one Samantha Muir. Samantha has released a couple of CD's including one featuring Spanish and South American music. Arrival will be at 6.45, followed by the recital at 7pm and the meal at 8pm. The cost is 35 euros per head excluding coffee and water.

MESSAGE TO MEMBERS FROM HELP, DENIA

Thank you so much for your kind and generous donation of 100€ this morning to Help of Denia and Marina Alta.

Pat and I are also delighted and grateful to Javea U3A members for their generosity in raising another 281.54€ at the meeting making a grand total of 381.54€

It was a delight to give the presentation to such a receptive audience, their comments and enthusiasm were indeed encouraging and we have a feeling that one or two will visit our website in order to download the membership form and hopefully become volunteers.
