

This document gives details of the many discounts available to Javea U3A members. Many of these have been negotiated with the supplier to get the best terms for U3A members. For major purchases, such as insurance, we would always advise that members obtain quotes from other sources to ensure that the best deal is obtained.

Discounts – Buyer Beware

Discounts are offered by Suppliers to the Javea U3A members. It should be noted that the offer of a discount is neither a promotion of an organisation nor a recommendation by the Committee and in all circumstances the phrase “Buyer Beware” should apply.

To obtain a discount in participating shops members must produce their membership card at the beginning of any transaction. Discounts unless otherwise stated are for full price items excluding sale items, promotional items, special offers, items paid with vouchers or any other discounted items.

The Committee cannot accept any responsibility for any problems that may occur with the purchase of any product or service. In the event of a problem the buyer should contact the supplier direct and it is recommended this is done in person and followed up in writing.

The Javea U3A shall not be held liable for any product or service defect/default/failure or any other problem howsoever caused. The Committee will not enter into any dispute with any of the suppliers on behalf of a member. In the event of a problem not reaching an acceptable solution, the Committee invites the member to submit the details in writing to them for their records. In the event of many problems with a supplier the Committee may take the decision to delete that supplier from the discount list. Each case will be considered on an individual basis.

As when buying any product/service **BUYER BEWARE.**

COSTA BLANCA VIP CARD

The Costa Blanca VIP Card is a relatively new card which is now available to all Spanish residents who hold NIE numbers along the Costa Blanca. The card offers discounts from a wide variety of businesses, stores and other organisations in the Javea and Moraira areas which have been negotiated by Costa Blanca VIP. Further details of the card and its facilities may be obtained from the Costa Blanca VIP Website at www.costablancaVIP.com.

As can be seen from the website, the current annual fee for the card is € 50 per card, and € 25 for any additional family member cards. Costa Blanca VIP are willing to offer U3A members a 50% discount on the annual card purchase price for individuals and couples. Therefore individual cards would be € 25 and any subsequent family member cards € 12.50. These cards provide members with a 10% discount from all their business partners, almost 100 now in the area.

Anyone interested in purchasing a VIP card should Email the company at setplays@yahoo.com or call Chris McMenemy on 606-005-288, or his sales executive Sharon on 606-004-994.
